

TRUST

Social Media Catalog

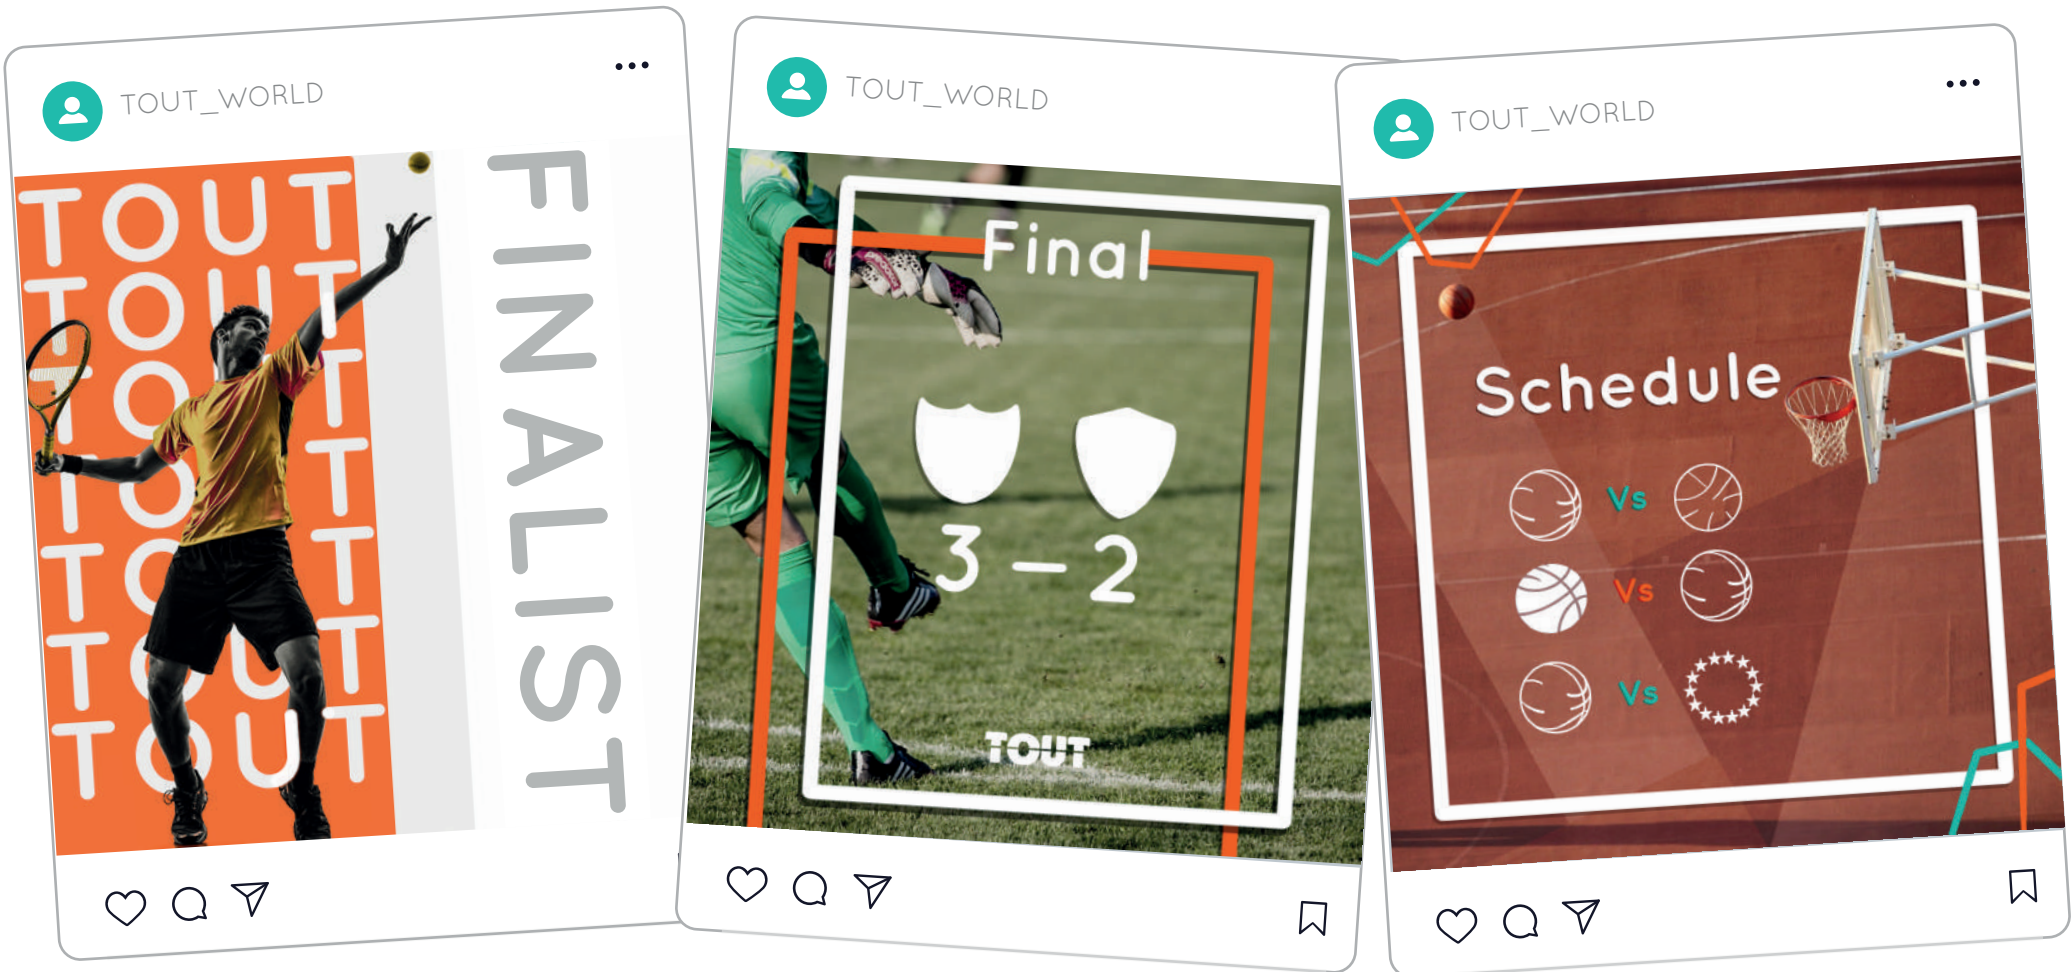

Transform your social media account
in the perfect platform to take
sports to the next level

Into your monthly posts you will be able to choose between 8 different options that will be adjusted to your brand in order to **promote your sponsors and keep your Audience update**

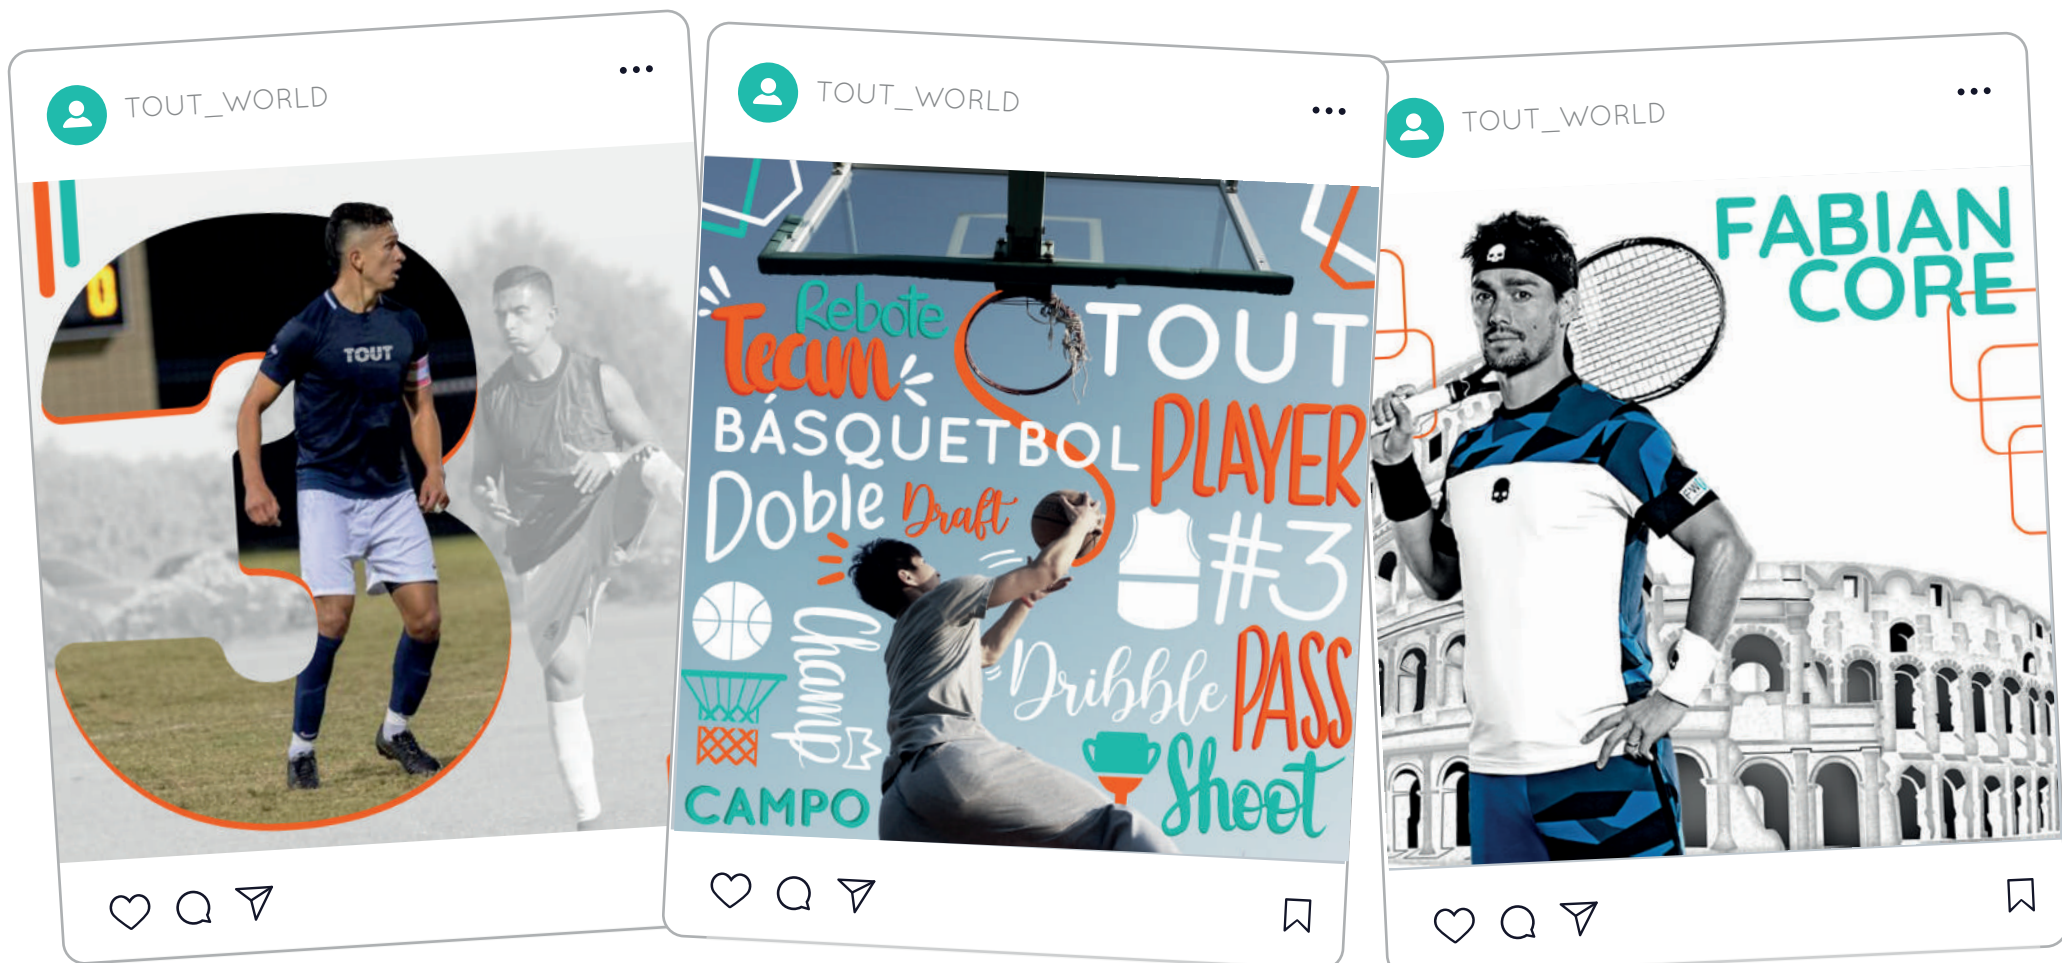

1. Updates

News about future games, scores, results recruits, starters, communications and events

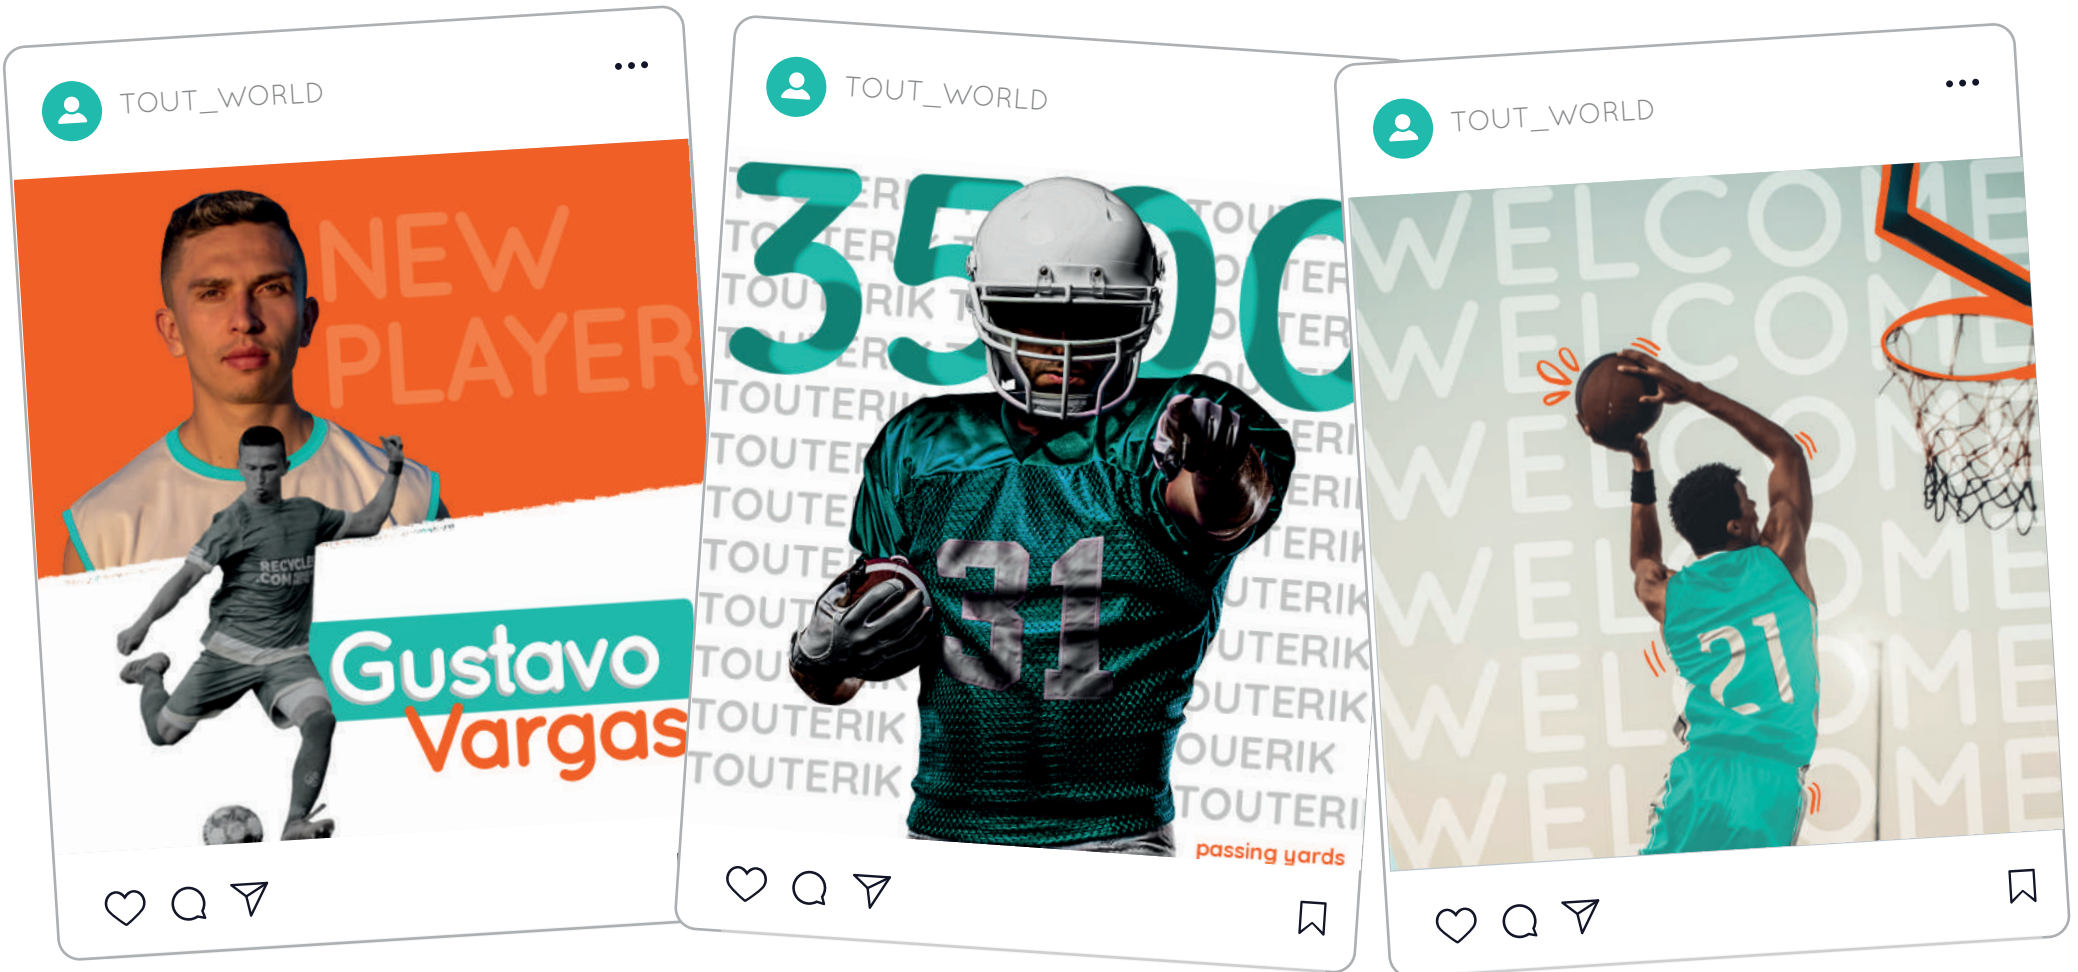

2. Exclusive design

Exclusive graphics that show and promote specific characteristics from the team and players

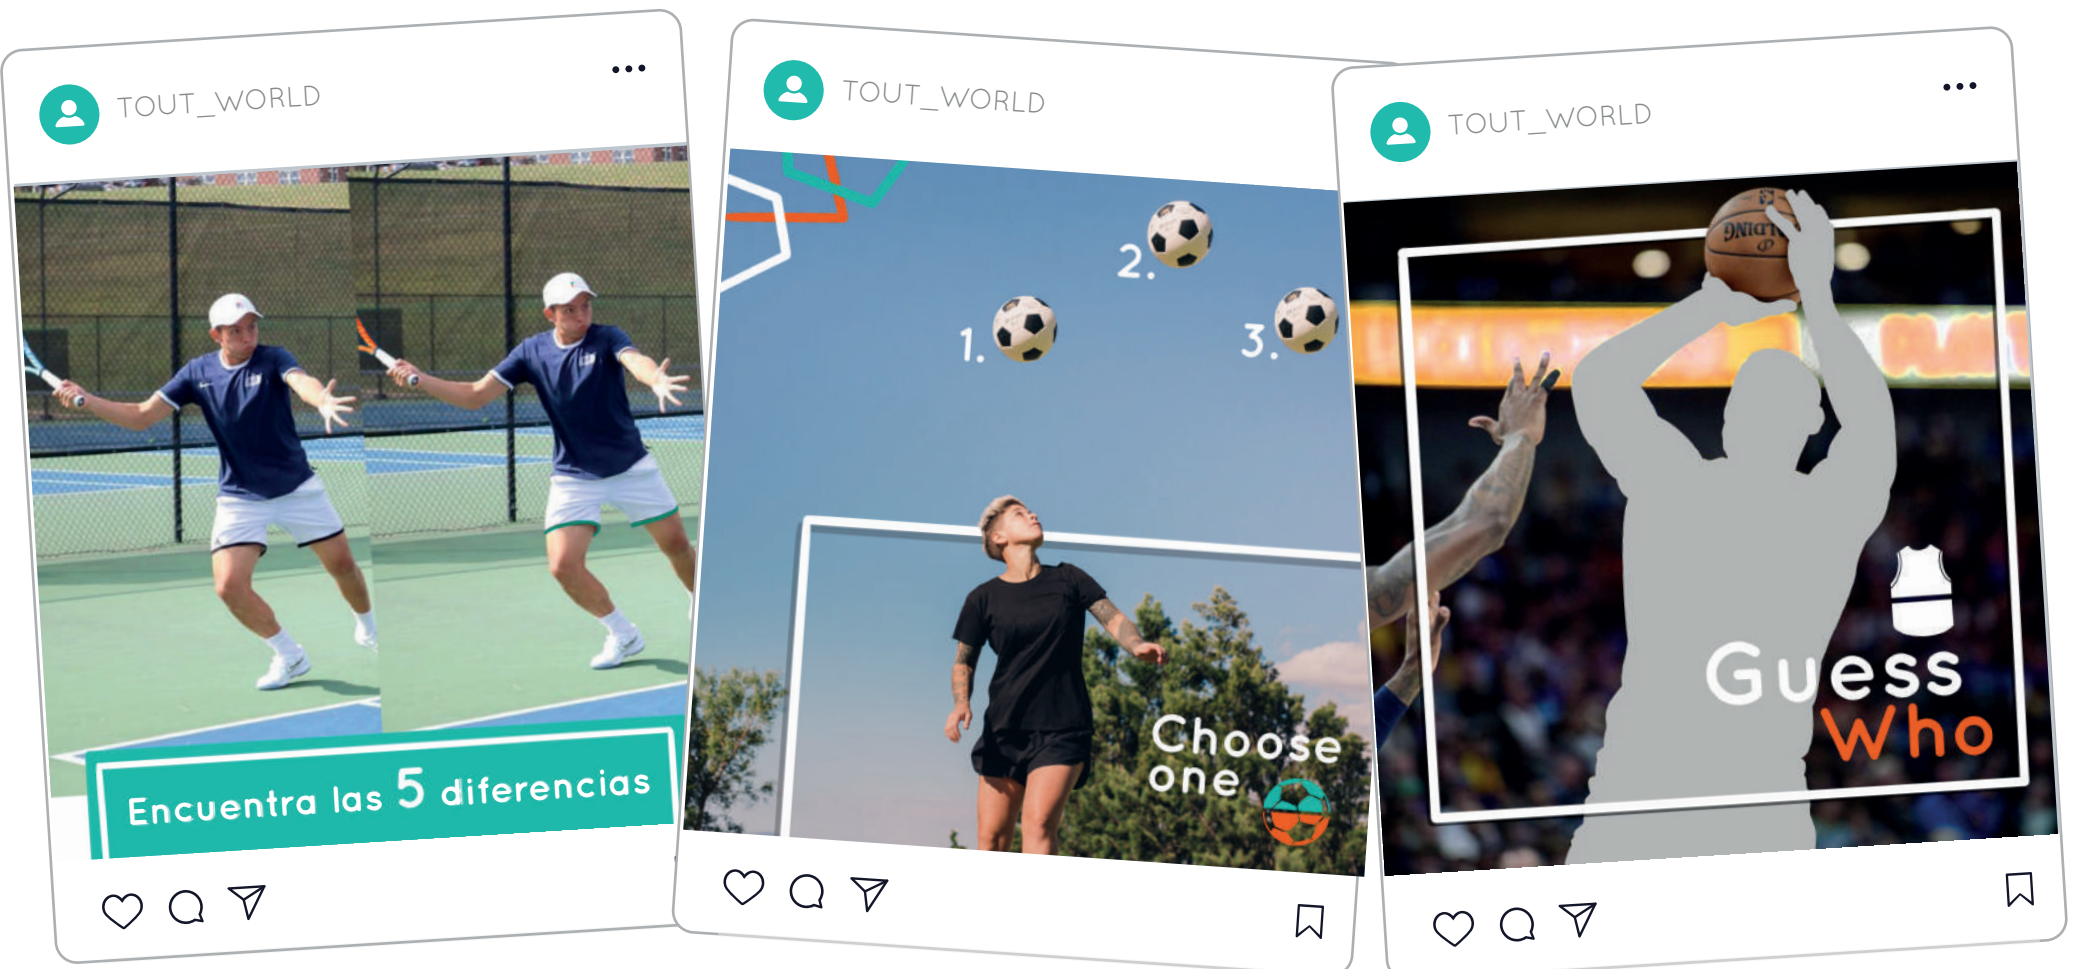

3. Players Promotion

Unique designs promoting a specific player and their qualities

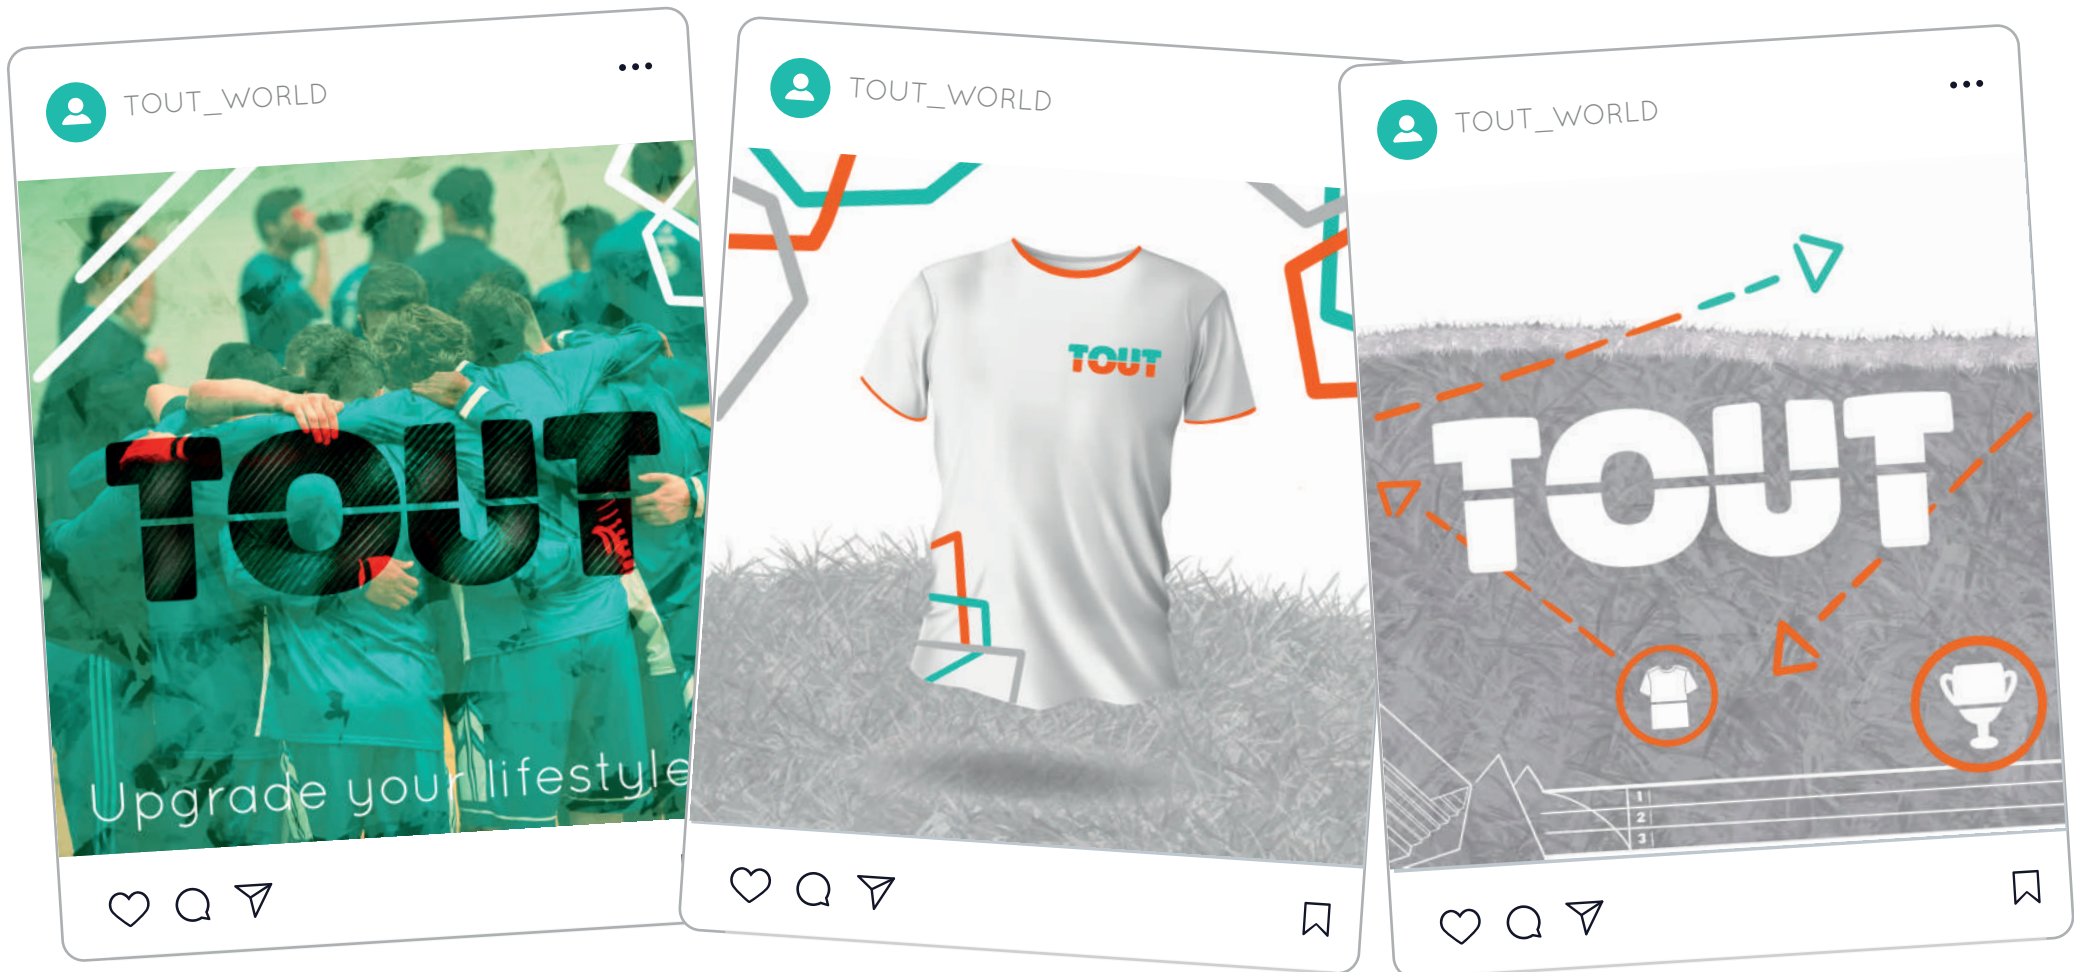

4. Interactives

Interact with your community through games, trivias and challenges

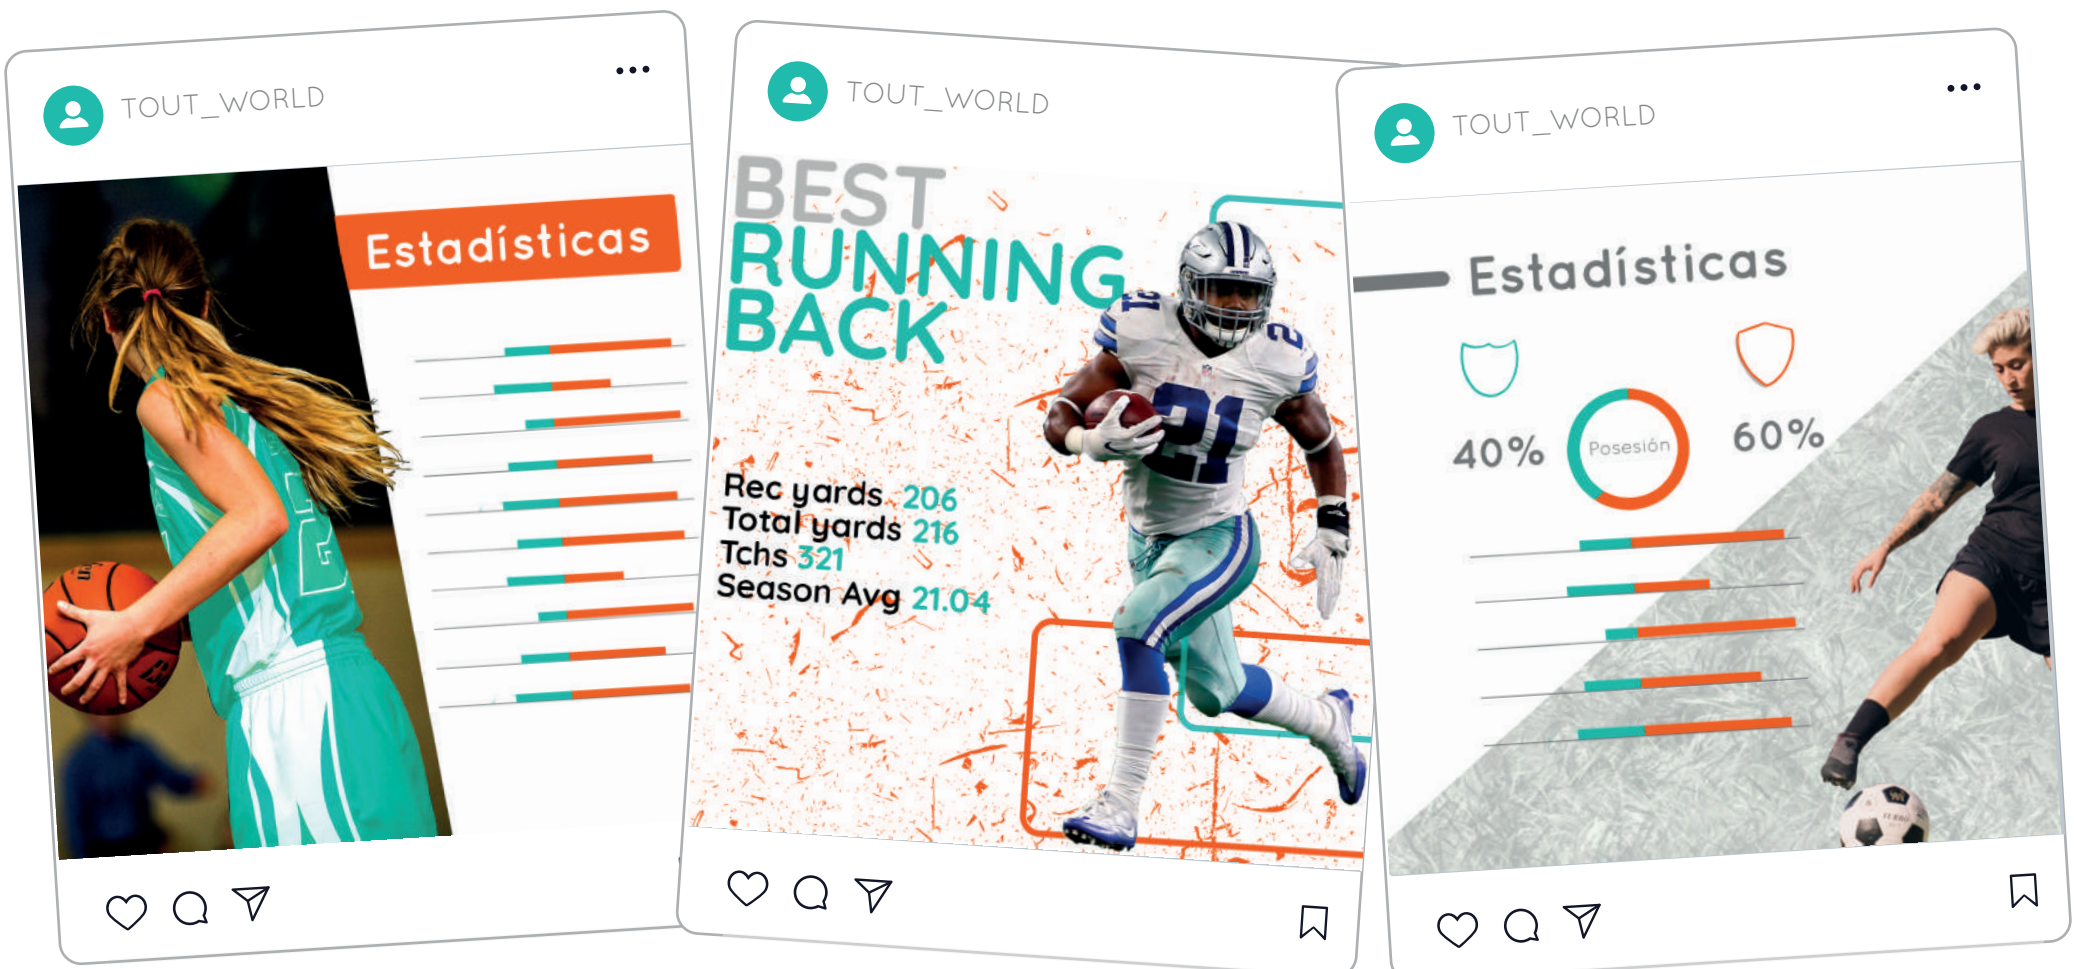

5. Brand

Highlight the team, their products and increase fan engagement with the organization

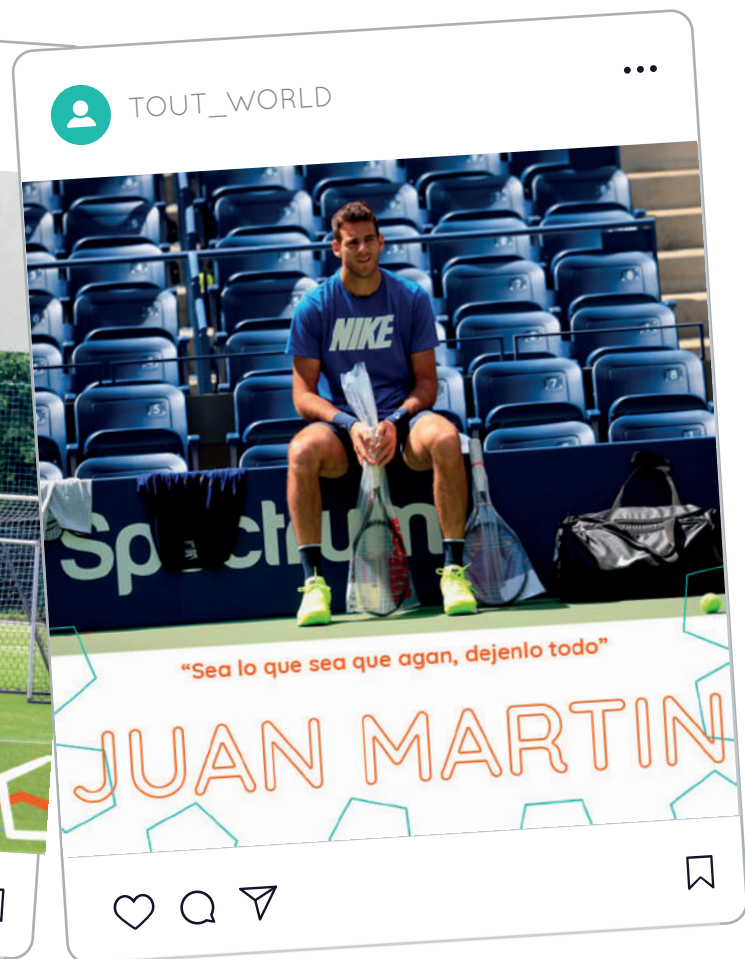

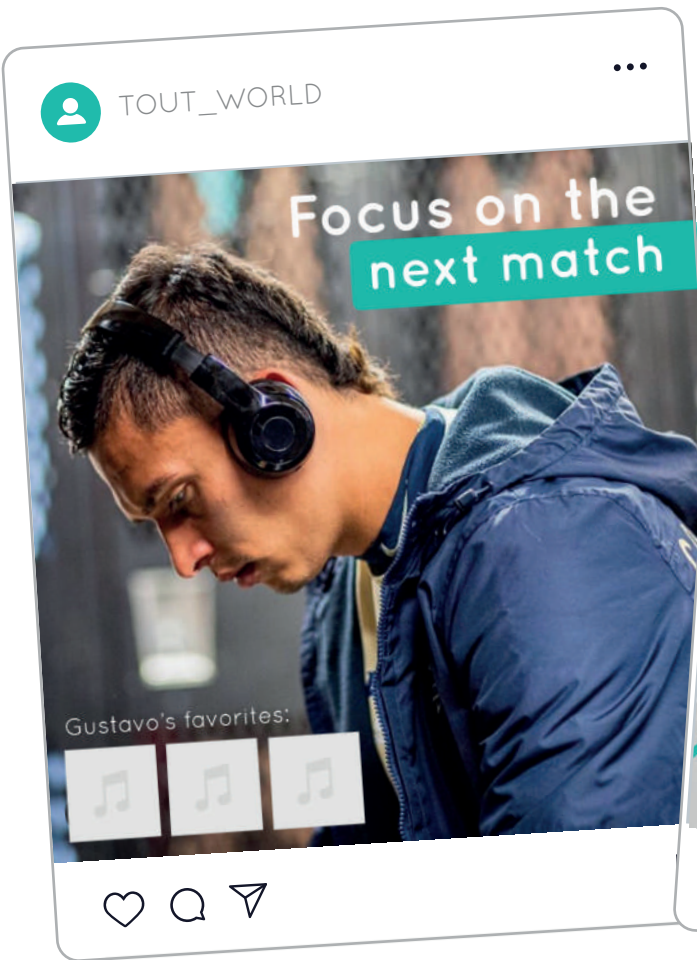

6. Statistics

Numbers and statistics about the team's performance

7. Behind Scenes

Share personal moments, practices and the lifestyle of the athletes

8. Sponsors

Improve relationships with sponsors and enhance their visibility
